

Elementary PACE

(PROGRAM for CHALLENGE and ENRICHMENT)

Level 1 Services: All Learners

- The High Achieving/Gifted and Talented Specialist will serve as a resource/coach for PACE for all K-5 classroom teachers for developing complex and challenging learning experiences and differentiated lessons.
- The High Achieving/Gifted and Talented Specialist Specialist will provide enrichment opportunities on Fridays for students in grades 2-5. (Online Math League, Wordmasters, Geography Bee, Debate, Science Olympiad, STEM programs, etc.)
- High Achieving/Gifted and Talented Specialist Specialist will provide scheduled whole class creativity and critical thinking lessons K-1.

Level II Services: High Achieving/High Ability Learners

- The High Achieving/Gifted and Talented Specialist will work with classroom teachers to plan units, design differentiation, and deliver appropriate challenging curriculum. Through this team effort, complexity becomes embedded into the classroom curriculum and instruction to develop potential in high ability and high achieving students.
- The High Achieving/Gifted and Talented Specialist, in collaboration with the classroom teacher, will provide small group scheduled advanced instruction for high ability learners in the classroom using flexible groupings based on specific content strengths. Grades 2-5

Level III Services: Highly Gifted Learners (Grades 3-5)

- High Achieving/Gifted and Talented Specialist will provide weekly pull-out sessions
- Cluster grouped with other identified gifted children
- Mentoring of social-emotional needs
- Differentiated Learning Plans
